

## **Southwest Valley Completes Transit Plan**

The Maricopa Association of Governments (MAG), in partnership with the Cities of Phoenix, Avondale, Goodyear, Tolleson, Litchfield Park, the Town of Buckeye, Maricopa County and Valley Metro, has completed the Southwest Valley Local Transit System Study.

The study has identified a local transit plan for the Southwest Valley. The plan is based on the transportation needs and priorities identified in 2012 by more than 2,000 Southwest Valley residents. Residents prioritized a local transit system that is accessible, affordable, convenient, and connects to regional transit services.

The short-, mid- and long-term strategies in the plan for local transit services will guide communities on implementing new services as additional revenues become available.

**A drop-in open house will be held on Wednesday, March 20, 6-8 p.m. at the Centerra Mirage Elementary School, 15151 W. Centerra Dr. South, Goodyear, AZ.** Residents may stop by any time between 6 and 8 p.m. to look at the plan maps and talk to the project team.

The executive summary will be posted to the project website on March 13: <http://www.azmag.gov/Projects/Project.asp?CMSID=4173>. The full plan will be posted shortly thereafter.
