### **CITY OF TOLLESON PLANNING AND ZONING COMMISSION**

**NOTICE IS HEREBY GIVEN** that the City of Tolleson Planning and Zoning Commission will conduct a **PUBLIC HEARING** on **TUESDAY, APRIL 24, 2018** at **5:00 P.M.** at the City of Tolleson City Hall Complex, 9555 West Van Buren Street, Tolleson, AZ 85353 for the purpose of:

Soliciting comments from interested parties in reference to amending the City Zoning Ordinance, Chapter 12, Land Usage, Articles 12-4, to add Article 12-4-156, regarding installation and operation of small cells and related equipment. H.B. 2365 was signed into law, which allows wireless service providers to install and operate small cells and related equipment on certain public rights-of-way and utility easements. The law also allows wireless service providers to construct, install, modify, mount, maintain, operate, and replace certain utility poles that are associated with the collocation of small wireless facilities. Changes in state law necessitate amendments to the City Zoning Ordinance. (Ordinance No. 580 N.S.)
