NOTICE REGARDING POTENTIAL CONFLICTS OF INTEREST RELATED TO THE CITY OF TOLLESON HOUSING REHABILITATION PROGRAM

Pursuant to the United States Government CDBG Program Conflict of Interest Regulations (24 C.F.R. §570.611), the City of Tolleson, as a participating jurisdiction in the CDBG Program, hereby provides public notice of the potential conflicts of interest raised by applications by individuals to the Tolleson Housing Rehabilitation Program.

The following individuals have applied for assistance/aid under the City of Tolleson Housing Rehabilitation Program, administered in partnership with the City of Tolleson by FSL Home Improvements:

Estela Tellez

The conflicts of interest provisions of the regulations are triggered by the applications of those individuals, as they are relatives of Tolleson or FSL Home Improvements employees. Ms. Tellez is the mother of the City of Tolleson CAP Office Administrative Assistant Gabriela Razo.

The application of each of this individual for CDBG Program assistance falls under the Conflict of Interest provisions of the CDBG Program regulations. The City of Tolleson provides this Notice pursuant to those applicable regulations for purposes of requesting a permitted exception from the United States Department of Housing and Urban Development to the conflict of interest restrictions, to allow these applicants to receive the requested assistance from the City's CDBG-funded Program.

If any member of the public has any questions or concerns with regard to this Notice or the City of Tolleson Housing Rehabilitation Program, please contact Noël Schaus at (623) 936-7111.
