Pursuant to A.R.S. § 9-511.01, the City of Tolleson provides Notice of Intent to adopt utility rate adjustments as outlined in the City’s Water and Wastewater Rate Study/Analysis prepared by Raftelis (the “Report”). The increased water/wastewater rates, rate components, fees or services charges are generally related to the development of 10-year cash flows to determine the level of revenue adjustments needed to meet annual operation expense, fund capital projects net of proposed bond proceeds, maintain reserves and meet debt service coverage.

This Notice of Intent was adopted by the City Council at its meeting on October 24, 2023. The City Council will hold a public hearing at least sixty days after adoption of the Notice of Intent on January 9, 2024, at 6:00 P.M., in which the public may comment on the rates, fees or service charges. The City Council will consider adoption of the new rates by resolution after the public hearing on January 9, 2024. Council Meetings are held at the Tolleson Civic Center located at 9055 West Van Buren Street, Tolleson, Arizona 85353.

A copy of this Notice of Intent will be posted on the City’s website with a copy of the Report, data supporting changes to the City’s rates and cash flow projections at least thirty days prior to the public hearing.

IF APPROVED BY COUNCIL, THE RATES WILL BECOME EFFECTIVE ON FEBRUARY 15, 2023.

A copy of the Report, data supporting changes to the City’s rates and cash flow projections may be reviewed at the office of the City Clerk of the City of Tolleson, at the Tolleson Civic Center during normal office hours, Monday through Thursday, 7:30 A.M. – 5:30 P.M.
