- Let the bus operator know you would like to board the bus by signaling as the bus approaches your stop.

Bike on ZOOM

- All ZOOM buses have space for two bikes.
- If you have a bike, have it ready to load by lowering the bike rack on the front of the bus. Secure your bike by extending the hook over the tire.
- If you need to remove your bike, advise the operator. Release the hook from the rack and lift your bike. Return the rack to the upright position and move away from the bus.
