CITY OF TOLLESON REQUEST FOR QUALIFICATIONS 20-02: RFQ WASTEWATER TREATMENT PLANT MASTER PLAN UPDATE

ADDENDUM NO. 2 Monday, January 4, 2021

TO ALL SUBMITTERS: The following Addendum shall be incorporated into the RFQ Documents of the above project, and all clarifications and requirements herein are fully a part of the RFQ.

1. The following document link has been requested and is attached following this page:
 - a. Previous NCS Report from 2017.

2. The following Request for Information Inquiries were received and the City has compiled the following responses to each of the inquiries:
 - a. Do submitting firms need to have an active business license with the City of Tolleson?
No, submitting firms do not need an active business license with the City of Tolleson to submit a response. The selected firm will need to hold an active business licenses with the City of Tolleson once selected.
 - b. Would a graphical cover (containing solicitation title, due date, and project photos) be excluded from the page count?
Yes, as long as the graphical cover does not include information that the panel will be scoring, it will not count towards the total page count.
 - c. Could you please clarify where/if the Vendor Information Form should be included in the SOQ and if it will be excluded from the page count?
The Vendor Information Form should be included in the appendix and it will not count towards to total page count.
 - d. We would like to obtain copies of Exhibits A, B, C and the Firm/Individual Information Form without the DRAFT water mark on them.
To correct what was discussed during the Pre-submittal Conference, these forms are related to our On-Call Engineering Utilities RFQ that is also currently open for solicitation and are not part of this RFQ.

3. As requested during the Pre-Submittal Conference the following firms were in attendance virtually.

Rider Levett Bucknall	Ninyo & Moore
Kimley-Horn and Associates	Quantum Engineering
