NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The annual expenditure limitation report (AELR) is presented as prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes §41-1279.07, and in accordance with the voter-approved alternative expenditure limitation adopted September 13, 2016, as authorized by the Arizona Constitution, Article IX, §20(9).

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.

NOTE 2 RECONCILIATION DEDUCTIONS AND ADDITIONS

The subtraction of depreciation, bad debt expense, and pension expense and the additions for principal payments, the acquisition of capital assets, and pension contributions are all provided in the Statement of Revenues, Expenses, and Changes in Fund Net Position for the proprietary funds; the Statement of Cash Flows for the proprietary funds; and the financial statement footnotes 4, 5, and 7.

The subtraction of \$535,900 for pension expense consists of the change in the net pension liability recognized in the current year in the Enterprise Funds.

The addition of \$2,850,352 for principal payments on long-term debt in the Enterprise Funds consists of retirements of \$2,386,285 of bonds payable and \$464,067 of loans payable.

The addition for the acquisition of capital assets consists of \$451,513 paid for various capital assets in the Water and Wastewater funds.
